

Sew Fun Day – Tissue Tote & Iron Caddy Tote
Tuesday, October 13, 2026
9am to 5pm
Cathey's Down the Block, 5851 E Speedway Blvd

The Tissue Tote, designed by Judy Hansen, has pockets to store everything you need. Fill the pockets with sewing notions, the TV remote, or your phone and charger. Make several, you will definitely want more than one. You need to provide: 1 Fat quarter – outer pocket sleeve, 1 Fat quarter – inner sleeve, 1 Fat eighth – coordinating fabric or scraps for the top.

We provide the pattern/instructions, the tissue box and ½ yard SF101 stabilizer.

The Iron Caddy Tote; we've all been to classes, or sewing group meetings and are stuck with the issue of the iron. You know you need it so you can have beautiful, pressed, seams, but what do you press on and then what do you do with your hot iron?! Now your problems are solved!! This awesome caddy makes carrying and transporting your iron easy – even if it is freshly unplugged and very hot – and it unfolds to form a nice pressing pad that you can use anywhere. Use for yourself, but also makes a lovely gift for any sewist!

You need to provide: 1 yard cotton fabric, 1 yard contrasting color fabric (for making approximately 100" of bias binding 4" wide and 2 straps 4" x 21"), 3 pieces of ¼" wide x 4" long elastic and 3 buttons.

We provide the pattern/instructions, Insulbrite, silver ironing board fabric and cotton batting.

Lisa Cromwell will teach the Tissue Tote in the morning and Maude Medlin-Brown will teach the Iron Caddy Tote in the pm.

Lunch will be provided from Honey Baked Ham.
